

Edward "Ted" Maslin

Term expires: June 30, 2022

Ted Maslin was elected to the Williamsburg City Council in May 2018. He currently manages construction for Riverside Health System's Lifelong Health communities.

Ted serves as Chair of the Williamsburg Fire Department's alumni group and is a member of the Williamsburg Chamber of Commerce Health Committee, the Peninsula Workforce Development Board, and the Williamsburg Local Emergency Planning Committee. He is a 2016 graduate of the Chamber's Community Leadership Service (CLS) program.

Ted has significant public and private sector experience managing planning, design, construction, real estate, facilities management, and security. He earned his B.S. in Architecture from the University of Virginia, a Master of Business Administration (MBA) from the College of William & Mary and a Master of Public Administration (MPA) with Distinction from Cal State – Northridge.

Ted is a licensed architect and certified facility manager. He is a past president of the Los Angeles Chapter of the International Facility Management Association (IFMA), a Certified Member of the American Association of Airport Executives (AAAE), and a member of the American Institute of Architects (AIA).

Ted previously served the City of Williamsburg as a firefighter / paramedic and was a past president of the Williamsburg Volunteer Fire Department while a student at the College of William and Mary.
